Carb Control

BIO MATRIX M.D.

BIO MATRIX M.D.

Why These Natural Ingredients?

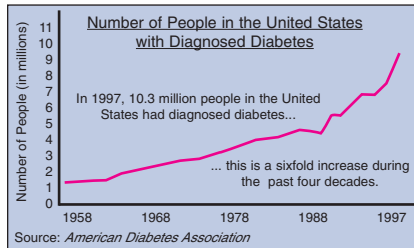

Carb Control is a leading edge supplement approach combining the most studied natural ingredients having the best clinical trial effectiveness. We incorporate the safest correct clinical dosages with an aggressive Lipoic Acid content to help maintain long-term health.

A True Combination of the Best Scientific Studies

Many products use Gymnema or Vanadyl Sulfate for blood sugar levels maintenance. However, no other product uses correct scientific dosages of those ingredients plus an aggressive dose of 300mg Lipoic Acid, which has been shown to maintain healthy nerve function in target population groups. Used for over 30 years in Europe for maintaining blood sugar levels already within the normal range, these ingredients offer the most well-rounded scientific combination of natural ingredients available.

Support for:

- Sugar and Carbohydrate Cravings
• Blood Glucose
• Weight Control

Supplement Facts

Table with 3 columns: 2 capsules contain, Amount Per Serving, % Daily Value. Rows include Biotin, Chromium, Gymnema Leaf Extract, Lipoic Acid, and Vanadyl Sulfate.
